

Business Impact Assessment training course

What is it?

Successful business continuity management starts with a business impact assessment. You can take the lead in identifying and protecting critical business functions with our Business Impact Assessment training course.

Why do I need it and who should attend?

This one day course will give you the tools to carry out a business impact assessment in line with ISO 22301, and understand how it contributes to business continuity management. Business continuity professionals, required to undertake a Business Impact Analysis in their organization and are looking to enhance their skills and technique for this essential component will find this course beneficial.

How will I benefit?

You will be able to identify and protect critical business functions and be confident you can continue to operate during unexpected disruptions. You can be assured that you have plans in place to minimize financial and operational impacts, inspiring customer and employee confidence in your organization's business continuity.

What will I learn?

This course will enable you to scope, define and deliver a business impact assessment project and identify and prioritize critical business functions. You will gain an understanding of how to recover critical functions and how to collect data, present findings and prepare business impact assessment reports.

You can book now online by visiting bsigroup.co.uk/training or call us on **+44 845 086 9000** today

How will I learn?

Quickly. We use accelerated learning techniques that encourage interaction and collaboration, keep the workshop varied and put your learning in context. Your tutors are the best in their field and will make sure your learning needs are met. You can choose between public or an in-company workshop tailored to your business – whatever delivers the most positive and successful outcome for you.

What is Learn Plus?

With Learn Plus, you'll get regular webinars and e-learning resources that support your continual learning. We recognise that after you complete your course, your learning doesn't automatically stop. That's why we take care of it so you can concentrate on putting it into practice.

Where will I learn?

You won't have to travel far to our first class venues. These include Cranage Hall in rural Cheshire,

the historic Grand Central Hotel in Glasgow and the idyllic Sedgebrook Hall in Northampton. You can also learn in central London and Cardiff.

Who are we?

As the world's first National Standards body, our expertise in shaping business standards spans more than a century. Our tutors are skilled in transferring knowledge contained within each standard to help you embed excellence within your organization. With over 65,000 clients in 150 countries world-wide, you can trust BSI to help you perform better, reduce risk and grow sustainably.

Why train with us?

We've audited thousands of businesses using the same standards so we can genuinely benchmark performance. And we can take you from beginner to certification quickly then support you with follow-up courses and webinars – and all this for the price of your workshop.

Did you know?

"81% of managers whose organizations activated their business continuity arrangements in the last 12 months say that it was effective in reducing disruption."
