

# IOSH Managing Safely training course

## What is it?

If health and safety is essential to your role, take the first steps towards IOSH certification today. Complete our online training course in Working Safely and you will achieve a globally recognised IOSH certificate giving you greater confidence in your role.

## Why do I need it and who should attend?

The refresher course provides delegates with the latest best practice and legislation changes and ensures that their knowledge and best practice is completely up to date. It is IOSH's view that it is best practice for Managing Safely certificate holders to renew their learning within a three year period.

## Course structure

Our eLearning course will help you understand why working safely is important. Five modules will cover PPE use, first aid, emergency procedures and reporting incidents. You will also learn how to identify and prevent risks and hazards and how to reduce the impact of what you do on the environment.

You can study online at your own pace with five interactive modules and a virtual tutor to guide you every step of the way

## Further information

Delegates need to have completed IOSH Managing Safely certificate within the last 3 years. The course takes approximately 6-8 hours to complete and is available on line for a single user.

If you would like a multiuser licence for your organisation then contact one of our training advisors on the number below.

## How will I learn?

Quickly. We use accelerated learning techniques that encourage interaction and collaboration, keep the workshop varied and put your learning in context. Your tutors are the best in their field and will make sure your learning needs are met. You can choose between public or an in-company workshop tailored to your business – whatever delivers the most positive and successful outcome for you.

## What is Learn Plus?

With Learn Plus, you'll get regular webinars and e-learning resources that support your continual learning. We recognise that after you complete your course, your learning doesn't automatically stop. That's why we take care of it so you can concentrate on putting it into practice.

## Where will I learn?

You won't have to travel far to our first class venues. These include Cranage Hall in rural Cheshire,

the historic Grand Central Hotel in Glasgow and the idyllic Sedgebrook Hall in Northampton. You can also learn in central London and Cardiff.

## Who are we?

As the world's first National Standards body, our expertise in shaping business standards spans more than a century. Our tutors are skilled in transferring knowledge contained within each standard to help you embed excellence within your organization. With over 65,000 clients in 150 countries world-wide, you can trust BSI to help you perform better, reduce risk and grow sustainably.

## Why train with us?

We've audited thousands of businesses using the same standards so we can genuinely benchmark performance. And we can take you from beginner to certification quickly then support you with follow-up courses and webinars – and all this for the price of your workshop.
