

PRINCE2[®] Foundation training course

What is it?

PRINCE2[®] stands for Projects in Controlled Environments and is a structured framework for the efficient running of any project. The Foundation Certificate provides an insight into the process-oriented approach of the PRINCE2[®] project method and the value of using it for implementing projects. The course is accredited through OGC and is based on the 2009 version of the PRINCE2[®] manual. The PRINCE2[®] is a Registered Trade Mark of the Office of Government Commerce in the United Kingdom and other countries.

Who should attend?

This course is suitable for those managing small projects, those who hold a junior project management role, and anyone who needs to participate fully and effectively within a PRINCE2[®] project. This course provides an insight into the process-oriented approach of the PRINCE2[®] project method and the value of using it for implementing projects, and includes a qualification.

Course outcomes

This course will provide you with competence in the fundamental aspects of the PRINCE2[®] project management method. You will be provided with guidelines on how to monitor a project within the boundaries of the project plan and learn how to improve your participation in a project, managed in accordance with the PRINCE2[®] project management method.
