"Excellence is an art won by training and habituation. We do not act correctly because we have virtue or excellence, but we rather have those because we have acted correctly. We are what we repeatedly do. Excellence, then, is not an act but a habit... BSI helps organizations make excellence a habit and reduce their risks..."

Welcome to the BSI Training Academy

We understand business success starts with people. We've assessed thousands of businesses, so we can genuinely benchmark performance. We've also trained many auditors who carry out these assessments so we can take you from beginner, to certification, to expert - quickly.

BSI is proud to have been recognized as one of the UK's strongest B2B brands for the 11th consecutive year - a huge achievement. Superbrands® ranks the most trusted brands across many sectors and industries. Brands need to have established the finest reputation in their field and offer customers significant advantages over their competitors, as well as being judged on their quality, reliability and distinction. Why trust your training to anyone else?

Investors in People is the UK's leading people management standard. It specializes in transforming business performance through people. In 2012, BSI was awarded the Investor in People standard for the first time.

**INVESTORS
IN PEOPLE**

Why train with BSI?

Great businesses need great people

Research shows that when an organization invests in training and development, they reap real rewards:

83% of people feel that staff are the key to maintaining a competitive edge*

45% percent of staff say they'd feel more motivated if their organization invested in **skills training***

Businesses are **2.5 x more likely to fail** if they don't train their staff*

Why training is important

Turn our experience in to your expertise

We've shaped the **world's most adopted standards** including ISO 9001, ISO 14001 and BS OHSAS 18001

94% of our delegates score our tutors 9 or 10 out of 10

55% of FTSE 100 companies are BSI clients

In 2014 we trained **105,000** people, from SMEs to global organizations

BSI spend **165,000 days** with clients in a year, so we know what businesses want and understand their needs

Our tutors have **250 years** experience working with management systems between them

In-Company Training

Request a quote by visiting our website bsigroup.ae/incompany or call us on +974 4029 9001

When you choose BSI In-company Training, you can select a course 'off-the-shelf' from our extensive range. You can then ask us to adapt a course to your specific needs, or you can request a completely bespoke course to be developed for you.

We will take the time to understand your company's learning needs so that we can develop a tailored training solution that satisfies your business objectives. Working with you, we'll help to develop your people, improve processes and enhance your systems. Whichever option you choose, you can be sure that you will be trained by a tutor who has practical experience under their belt and who understands your marketplace.

If you have a group of people who need to understand or audit your management system, consider in-company training:

- We can provide a management briefing, auditor training, or any of the courses listed within this catalogue
- Receive training in your own confidential surroundings
- We charge by the day, not by the delegate, making it a cost effective solution for training a group

BSI Certified Auditor/Lead Auditor

The new BSI Certified Auditor/Lead Auditor qualification gives your employer or client complete confidence in you. It lets them know your auditing skills are not just solely based on your experience. They'll be reassured you are regularly evaluated by our leading independent auditing experts.

Step One: Take internal or lead auditor Training

You'll need to complete, or have already completed, internal auditor or lead auditor training. You will then begin to put your training into practice by undertaking management system audits

Step Two: Audit Packs

Send three completed audit packs which our tutors will check and review, looking for evidence of audit planning and effective reporting.

Step Three: Qualifying Review

The final stage is a half day qualifying review where one of our experienced tutors will carefully observe and evaluate your conduct of a live audit.

Benefits to you include:

- CV enhancer
- Detailed feedback on your audits
- Career development
- A professional qualification
- Membership card and use of logo

Continuation

To keep your Certified Auditor qualification, you will need to continue to demonstrate your auditing skills by providing us with three audit packs on an annual basis, and after three years conduct another qualifying review.

Terms & condition

Payment:

Payment for public course offerings is due upon registration. You may pay by cheque or online payment (payable to BSI Management Systems) or bank transfer as per our invoice details. Course registration is not completed until payment has been received. Prices listed in this catalogue are subject to change at any time.

Travel Arrangements:

Lodging and travel costs are not included in the course fee. The individual attending the course must make their own travel arrangements. A block of rooms will be held if possible at a special rate under "BSI Management Systems" but only up to one month prior to a course date. After that date, the hotel may charge a higher rate consistent with their prevailing rate schedule. It is therefore important to book hotel rooms immediately as rooms may sell out quickly.

Course Confirmation:

- A confirmation letter of your registration on the course will only be sent to you when payment/LPO has been received by BSI.
- All courses are conducted in English unless otherwise Specified.
- Hard copies of course study materials shall only be sent upon advance request prior to the course after receiving the payment in BSI bank account.
- On receipt of the signed booking form, an invoice will be sent to you for immediate payment by Cheque, Bank transfer, or issue of Signed and Sealed LPO from your company. Please specify mode of payment.

Cancellation/Transfer Policy:

You may transfer to another training course up to 25 working days before the original course date. If you do, BSI will not make a refund for a cancellation of the original course and reserves the right to charge you for any increased costs. In order for BSI to manage its course diaries, you may transfer each of your courses once only.

All cancellation must be in writing. If you (or your candidate) do not attend a training course, or you wish to cancel within 25 working days prior to the start of such course, then the full payment for the course is payable. BSI reserves the right to charge any costs up to the date of cancellation. BSI will not refund course fees if you cancel distance learning, blended learning or e-learning courses, no matter when cancellation is made.

In the unlikely event and for unforeseen reasons, BSI has the right to change the training content, tutors, dates and training venue which will be informed to the delegates.
