BSI Training Academy

Turning our experience into your expertise.

bsi.

...making excellence a habit.™

Whatever your area of responsibility, you'll find the standards and courses that can help you to improve your business here:

Why train with us ?

We understand that business success starts with people. And we've audited thousands of businesses, applying the same standards to each, so we can genuinely benchmark performance.

We've also trained many auditors who carry out these assessments and know we can take you from beginner to certification to expert quickly –wherever you are on your learning journey, we can tailor training to you and your business.

Call and ask us about training designed to suit you with our in-company option.

Our Approach

We accelerate your learning. Everyone has preferred learning techniques which we introduce to our training to help you progress naturally and quickly. We encourage interaction and collaboration because the more involved you are, the more positive the outcome.

We also keep the courses varied and put your learning in context to give you an enjoyable, successful and satisfying experience.

Our Tutors

Train with the best to become the best. Our tutors are recognized as leaders in their field, offering a world-class learning to understand and meet your different learning needs, and they have years of industry experience.

What's more, our tutors train assessors who look at your organization to keep your learning in line with your company's accreditation.

Our Venues

We deliver five star learning at first class venues. These are selected especially to make sure you learn in the best possible environment with great facilities, refreshments and quality accommodation.

This way you can focus on and maximize your learning experience. Also, any of our public courses can be tailored to your specific needs and delivered at your premises making it even more convenient for you.

99% of course delegates say they would recommend BSI. Here are some of their reasons for doing so:

- Experience and breadth of training
- Brand association
- Choice of course style
- Ease of booking
- Quality course material
- Reputable venues

In-House Training

Designed for you

We take the time to understand your company's learning needs to develop tailored training solutions that satisfy your business objectives. We'll review what you want to achieve and bring our expert trainers to your site to make it convenient for you.

This way you save costs and your training stays consistent and effective.

Working with you, we'll help to develop your people, improve processes and enhance your systems.

Our aim is to try to do more than just deliver the course - we want to help you embed your learning.

Exclusivity & Convenience

In- company trainings are exclusive for your organization and tailored to meet your business requirement. Speak with our training specialist and they will be able to arrange a suitable and customized training program for you.

An in-company training program is also highly efficient and convenient for your business as we minimize disruptions to the operation of your organization by staging the program at your venue or desired location.

Call and ask us about training designed to suit you with our in-company option.

How In-House Training can develop your organization

What we do

Management Briefings

This provides an understanding of the strategic benefits of attaining the standard, training and certification

Introduction Courses

Implementation Courses

Internal / Lead Auditing Courses

Diploma/Certificate Qualifications/Additional

Professional Qualifications

Awareness

This is usually an Introduction course, however, if your staff need additional training, we can tailor your in-House course to suit you

Who it benefits

Executive / board management

Executive / board management

Project Management

Whole Organization
