

# ISO 9001:2008 to ISO 9001:2015 Transition training course

Are you already familiar with ISO 9001:2008 and want to find out what has changed in the transition to ISO 9001:2015?

This one day course is particularly valuable for individuals directly involved in the planning, implementing, maintaining or auditing of an ISO 9001 Quality Management System (QMS).

## Why do I need it?

An experienced tutor will explain the new ISO (high level) structure applied to new management systems and then through application: explain the resulting differences between ISO 9001:2008 and ISO 9001:2015, while explaining the impact of additions and amendments contained within the new international standard.

## How will I benefit?

- Learn how to make the transition from ISO 9001:2008 to ISO 9001:2015
- Identify areas that need to change in your current QMS
- Inform others about the requirements of ISO 9001:2015

## Who should attend?

- Operations Managers and Consultants
- Organizations that are currently certified to ISO 9001:2008
- Organizations currently developing systems for certification to ISO 9001
- Management system practitioners who will be converting to ISO 9001:2015
- Internal and external management system auditors who will be auditing to ISO 9001:2015
- People interested in finding out how ISO 9001:2015 differs from its 2008 version

## What will I learn?

- The framework for a generic management system
- The new and revised terms and definitions
- New requirements relating to Context, Leadership, Planning and Support in Annex SL Appendix 2
- Changes in QMS specific requirements arising as a result of transitioning from ISO 9001:2008 to ISO 9001:2015
- The BSI certification transition arrangements
