

Career Opportunity

Job Title: Client Manager

Vacancy Ref: 10/230

Dept: Field Force

Location: London / M25 Corridor

We are currently recruiting Assessors with Building and Construction and associated professional services background.

The role of a BSI Assessor is pivotal to the success and reputation of our business. Our clients frequently tell us how much they recognise the value provided to their organisation through our team of dedicated and professional assessors.

Primarily responsible for conducting on site assessment visits to audit how our clients operate management systems in accordance with relevant standards, the role of an Assessor is to 'add value' to our clients, enabling them to raise their standards.

If you want to pursue a career with the UK's leading certification business, you should ideally:

- Be educated to degree level, HNC/HND qualified or equivalent professional qualification in a relevant subject.
- Have a comprehensive knowledge of construction technology and terminology
- Be familiar with most types of construction (new build, refurbishment and fit out).
- Have a broad knowledge of procurement types, forms of contract, interaction between construction and design processes
- Have experience of architects and building surveyors
- Experience in other industries would be an advantage

We are looking for highly motivated, results oriented, self starters with excellent communication skills and the ability to operate at all levels. Comfortable meeting new people and capable of working both independently and as part of a team, our Assessors thrive in a process-driven environment which draws upon their expertise within a professional, well respected business.

This role will require you to travel to clients on a daily basis within your region and on occasion you may be required to travel further afield. In return we offer a competitive salary, a fully-expensed company car, a minimum of 27 days annual leave, company-paid private medical insurance, excellent company-contributed pension scheme, flexible benefits and much more.

Display Until Ongoing
