

## **BSI's summary of responses to the Notice on the Decision to Approve Shaftesbury Systems Ltd.**

Approval ~ Kitemark Licence KM **90695**

---

### **Result**

BSI received no questions during the Notification period.

BSI received no responses, positive or negative, during the Notification period which ended on 7<sup>th</sup> March 2008.

---

### **Comment**

This is believed to be only the third Metering and Billing Approval that, since adoption of the Communications Act 2003, did not attract comment during the Notification period.

BSI assumes the complete process is now fully understood by those given the opportunity to respond during the Notification period.

---

### **Summary**

BSI concludes that the Approval of Shaftesbury Systems Limited satisfies both the requirements and the spirit of the Metering and Billing Approval Scheme.

Shaftesbury Systems Limited has met all the Technical and Administrative requirements of that Approval Scheme and was granted Approval and issued with a Kitemark Licence on 14<sup>th</sup> March 2008.
