

# Developing and Managing Business Continuity Exercises

## What is it?

Business continuity is vital to the success of your organization and, no matter what your role is, you play a part in its delivery. This two day course will help you get to achieve best practice when testing business continuity management systems (BCMS). This course is delivered by highly experienced BCM practitioners and is endorsed by the Emergency Planning Association.

## Why do I need it and who should attend?

Having an effective business continuity management system in place will give you the best chance to recover your business quickly in times of unexpected crisis. This course is ideal for those working on the business continuity team who are tasked with developing and running exercises or participating in them.

## How will I benefit?

This course will help to build confidence and competencies around developing and managing programmes to evaluate your BCMS.

We can help to ensure that you play a pivotal role in making sure your organization has robust crisis management measurements in place.

## What will I learn?

This two day course will help you learn how to plan and develop a BCM exercise programme. You will gain an understanding of the technical and logistical aspects and what resources are required. Our expert tutors will guide you on how to structure, lead and run an exercise and how to develop feedback and reporting writing skills.

## How will I learn?

Quickly. We use accelerated learning techniques that encourage interaction and collaboration, keep the workshop varied and put your learning in context. Your tutors are the best in their field and will make sure your learning needs are met. You can choose between public or an in-company workshop tailored to your business – whatever delivers the most positive and successful outcome for you.

## What is Learn Plus?

With Learn Plus, you'll get regular webinars and e-learning resources that support your continual learning. We recognise that after you complete your course, your learning doesn't automatically stop. That's why we take care of it so you can concentrate on putting it into practice.

## Where will I learn?

You won't have to travel far to our first class venues. These include Cranage Hall in rural Cheshire,

the historic Grand Central Hotel in Glasgow and the idyllic Sedgebrook Hall in Northampton. You can also learn in central London and Cardiff.

## Who are we?

As the world's first National Standards body, our expertise in shaping business standards spans more than a century. Our tutors are skilled in transferring knowledge contained within each standard to help you embed excellence within your organization. With over 65,000 clients in 150 countries world-wide, you can trust BSI to help you perform better, reduce risk and grow sustainably.

## Why train with us?

We've audited thousands of businesses using the same standards so we can genuinely benchmark performance. And we can take you from beginner to certification quickly then support you with follow-up courses and webinars – and all this for the price of your workshop.

## Did you know?

"85% of organizations with BCM arrangements in place, say it helped their organization recover from disruption more quickly than would otherwise have been the case"
