

Implementing BS 11000 Collaborative Business Relationships training course

What is it?

BS 11000 provides a framework for collaborative business relationships, to help companies develop and manage their interactions with other organizations for maximum benefit to all. You may have already completed our introductory course or be familiar with the collaborative business relationships standard. Now you can take the next step towards implementing the standard with this in-company training course.

Why do I need it?

Every company wants to enhance its competitiveness and performance. At the same time an organization will want to provide added value for its customers. BS 11000 will help organizations do just that, by sharing knowledge, skills and resources to meet mutually defined objectives and deliver new and higher levels of value. Our expert trainers will provide you with relevant knowledge to effectively implement BS11000 and achieve the standard.

How will I benefit?

BS 11000 shows you how to eliminate the known pitfalls of poor communication. It also defines roles and responsibilities and supports collaborative decision-making – making your partnerships all the more valuable to your business.

What will I learn?

Our expert trainers keep the course practical giving you relevant knowledge to achieve the BS 11000 standard of collaborative relationship management. Your learning is based around industry best practice outlined in BS 11000:2010. You will find out how to challenge and innovate to get the best out of partnerships and deliver real benefits – achieving greater efficiency by sharing skills and resources and reducing cost and risk.

Further information:

This course is delivered in-company only. Contact us for a customized quote.

How will I learn?

Quickly. We use accelerated learning techniques that encourage interaction and collaboration, keep the workshop varied and put your learning in context. Your tutors are the best in their field and will make sure your learning needs are met. You can choose between public or an in-company workshop tailored to your business – whatever delivers the most positive and successful outcome for you.

What is Learn Plus?

With Learn Plus, you'll get regular webinars and e-learning resources that support your continual learning. We recognise that after you complete your course, your learning doesn't automatically stop. That's why we take care of it so you can concentrate on putting it into practice.

Where will I learn?

You won't have to travel far to our first class venues. These include Cranage Hall in rural Cheshire,

the historic Grand Central Hotel in Glasgow and the idyllic Sedgebrook Hall in Northampton. You can also learn in central London and Cardiff.

Who are we?

As the world's first National Standards body, our expertise in shaping business standards spans more than a century. Our tutors are skilled in transferring knowledge contained within each standard to help you embed excellence within your organization. With over 65,000 clients in 150 countries world-wide, you can trust BSI to help you perform better, reduce risk and grow sustainably.

Why train with us?

We've audited thousands of businesses using the same standards so we can genuinely benchmark performance. And we can take you from beginner to certification quickly then support you with follow-up courses and webinars – and all this for the price of your workshop.

“BS 11000 gives us the strategic framework to develop, with our key suppliers, the policies and processes, the culture and behaviours required to establish successful collaborative relations and to drive continual improvement. Maintaining collaborative business relations can only lead to benefits for Network Rail and its suppliers, for the rail industry and for Britain.”

Simon Kirby, Managing Director,
Network Rail Infrastructure
