Management System Leadership Requirements
Training Course

Essential information about the course

The prosperity and progress of any organization requires commitment and leadership. Although not visible to many, top management plays a significant and vital role when a management system standard is to be implemented.

This course will focus on top management where their role and responsibilities are a key to having a strong and stable management system. It will also focus on the main areas of the standards that top management demonstrate leadership and will ensure that you are prepared for these key contributions.
