

# ISO 14001:2015

## Auditor/Lead Auditor Transition

### Two day course

Demonstrate commitment to best practice by transforming existing auditor skills to ISO 14001:2015. Consolidate your expertise with the latest developments and drive efficiency in line with the new standard.

#### How will I benefit?

- Prepare, conduct and develop the skills for an ISO 14001:2015 audit
- Explain the key changes between ISO 14001:2004 and ISO 14001:2015
- Describe the new requirements in Annex SL (Appendix 2) relating to organizational context, leadership, planning and support
- Appreciate the significance of a risk-based approach
- Find out about transition arrangements for BSI certification.

#### What will I learn?

Combining the 1-day 'ISO 14001:2015 Transition' course with an extra day of auditing activities, you'll learn how ISO 14001:2015 is different to ISO 14001:2004. Grasp how to practically apply this knowledge in order to update and develop your auditing skills.

#### Who should attend?

This course is ideal for ISO 14001:2004 Internal and Lead Auditors wishing to audit or transition to ISO 14001:2015.

“ I thoroughly enjoyed this course. The tutor's attitude and personality was exemplary. He displayed a good knowledge of the subject and built up a rapport with the attendees in no time. ”

Paul O'Brien, Operations Standards Manager, East Midlands Trains

## Our knowledge

We don't just train you to meet standards – we create them. As the world's first National Standards Body and a founding member of ISO, no one knows standards like BSI. Our expert knowledge means a lot and when you train with us, you benefit from this expertise.

## Our tutors

Our tutors are the best in the business. As experienced assessors, they'll transfer the knowledge you need to embed standards into your organization and develop them through continual improvement.

Book today by visiting [bsigroup.com/training](https://bsigroup.com/training)

## Our approach

Our high impact accelerated learning approach is proven to fast-track learning by improving knowledge retention and skill application. This course is activity based, resulting in a deeper understanding of material and greater impact on job performance.

## Your expertise

Our training courses will give you the knowledge and skills to embed the standards that matter to you the most. To promote your professional development, you'll receive a personalized BSI Training Academy certificate that's recognized worldwide.

*Note: All course information is based on ISO/DIS 14001:2015. You'll receive a complimentary update when the final standard publishes to ensure you're fully informed of any changes. We'll also reissue an updated certificate. The Lead Auditor assessment will be available once the final standard has published.*
