

ISO 50001 Energy Management System Lead Auditor Course - IRCA Certified (A17573)

Course Description :

BSI's Energy Management Systems (ENMS) Auditor/Lead Auditor Training Course provides you with the skill and knowledge to conduct and lead effective energy management system (EnMS) audits in accordance with the requirements of ISO 50001 and ISO 19011. The course explains the principles and practices of independent auditing for an EnMS, and guides participants through the entire audit process from managing an audit program to reporting on audit results. During the course, you will gain the necessary auditing skill through a balance of formal classroom tutorials, practical role-playing, group workshops, and open forum discussions. In addition, the course will discuss integrating ISO 50001 with other management systems, like ISO 14001.

Benefits to Your Business :

- Lead auditing expertise
