

# ISO 9001:2015

## Transition

### One day course

Learn what you need to know about transitioning to the new ISO 9001:2015 Quality Management Systems standard. Discover the latest changes and how these will affect your organization so you can start putting transition arrangements in place.

#### How will I benefit?

- Explain the key changes between ISO 9001:2008 and ISO 9001:2015
- Describe the new requirements in Annex SL (Appendix 2) relating to organizational context, leadership, planning and support
- Appreciate the significance of a risk-based approach
- Learn what needs to be revised in your current QMS
- Find out about transition arrangements for BSI certification.

#### What will I learn?

This course introduces you to the new ISO high level structure for management system standards and explores the changes between ISO 9001:2008 and ISO 9001:2015. You'll learn to identify gaps in your current QMS and start planning your transition to the revised standard.

#### Who should attend?

This course is ideal for anyone involved in the planning, implementing or supervising of an ISO 9001:2015 transition, including ISO 9001:2008 auditors who need to convert to the new standard.

“The commitment and enthusiasm shown by the BSI team to understand our business was commendable.”
