BSI Training Academy

Why Train with BSI

Because we've helped shape and develop many of the world's leading standards, our expert knowledge means a lot, and when you train with us you benefit from this expertise. We take the time to understand your company's learning needs to develop tailored training solutions that satisfy your business objectives.

Our Approach – Accelerated Learning

Our Accelerated Learning Approach is proven to fast-track learning and improve knowledge retention. Accelerated learning focuses on creating knowledge rather than consuming it.

Our Tutors

Our tutors are recognized as leaders in their field, offering a world-class learning experience. They are trained to understand and meet your different learning needs, and they have years of industry experience.

IRCA Certified Courses

IRCA is an auditor training certification body. Over 50,000 students choose to complete IRCA certified training courses every year in more than 100 countries. IRCA approved courses are indicated by the IRCA logo.

The BSI Certificate

Worldwide recognized certificates. A mark of expertise, quality and integrity.

Types of Training

BSI offers training in many different formats. Choose the medium that best suits your needs.

In-Company Training

An on-site training course is one held at your facility and is open only to your employees. Training students on-site eliminates travel expenses and additional time away from the office.

Public Training

A public training course takes place in a pre-determined, designated location and is available to anyone who registers. This type of training is a convenient, low-cost way to send a small number of employees to learn. Attendees are away from office distractions and benefit from interacting and networking with people from other organizations.

Distance Learning

Allows you to study at your own pace and whenever is convenient to you. It's cost effective and puts you in control of your learning.

In-Company Training

Why choose In-Company training?

Our courses can be delivered at premises of your choice. We can tailor it to your organization with few exceptions, spending time focused on your objectives. This ensures that your people learn best practices suited to your own organization, in the setting where they will be using them. Our on-site courses are led by expert tutors who are skilled in both their subject matter and in the most effective ways for delegates to learn.

Programs are priced by the day rather than by the delegate, enabling you to make savings for groups, and you can save on the travel and accommodation expenses, too.

Choose In-Company training if:

- you want to train a group of people
- you want the training tailored to your organization and needs
- you want to reduce the level of risk to proprietary and confidential information
- you want to save money on travel and accommodation

In-Company training

Choose this course delivery and adapt it to match your needs or even create something completely customized to you. Whatever you want – you decide. Talk to us about on-site training today.

Customer reviews...

"The course content was well organized and will provide a very good reference for the trainees to use in creating documents and preparing for the certification audit."

"It was very comfortable to have the training in-house."

"This class was great - very thorough - instructor was very knowledgeable with all the current changes to all the standards and more importantly patient."

"This was one of the most engaging and interesting classes I have attended. I think the simulation part was great - it produced the most meaningful interaction with a small group dynamic."

"This class worked well for me because no travel was involved."

"Best content for any course I've ever participated in."

Food Safety Management

ISO 22000:2005

The growing number of national standards for food safety management has led to confusion. Consequently, there is a need for international harmonization and ISO aims to meet this need with ISO 22000. The standard intends to define the requirements for companies that desire to exceed the regulatory requirements for food safety.

ISO 22000:2005 (FSSC) Requirements

A detailed overview of the clauses of ISO 22000 and illustrates how the standard can help you effectively maintain a food safety management system.

Terms & conditions

Payment:

Payment for public course offerings is due upon registration. You may pay by cheque or online payment (payable to BSI Management Systems) or bank transfer as per our invoice details. Course registration is not completed until payment has been received. Prices listed in this catalogue are subject to change at any time.

Travel Arrangements:

Lodging and travel costs are not included in the course fee. The individual attending the course must make their own travel arrangements. A block of rooms will be held if possible at a special rate under "BSI Management Systems" but only up to one month prior to a course date. After that date, the hotel may charge a higher rate consistent with their prevailing rate schedule. It is therefore important to book hotel rooms immediately as rooms may sell out quickly.

Course Confirmation:

- A confirmation letter of your registration on the course will only be sent to you when payment/LPO has been received by BSI.
- All courses are conducted in English unless otherwise Specified.
- Hard copies of course study materials shall only be sent upon advance request prior to the course after receiving the payment in BSI bank account.
- On receipt of the signed booking form, an invoice will be sent to you for immediate payment by Cheque, Bank transfer, or issue of Signed and Sealed LPO from your company. Please specify mode of payment.

Cancellation/Transfer Policy:

You may transfer to another training course up to 25 working days before the original course date. If you do, BSI will not make a refund for a cancellation of the original course and reserves the right to charge you for any increased costs. In order for BSI to manage its course diaries, you may transfer each of your courses once only. All cancellation must be in writing. If you (or your candidate) do not attend a training course, or you wish to cancel within 25 working days prior to the start of such course, then the full payment for the course is payable. BSI reserves the right to charge any costs up to the date of cancellation. BSI will not refund course fees if you cancel distance learning, blended learning or e-learning courses, no matter when cancellation is made. In the unlikely event and for unforeseen reasons, BSI has the right to change the training content, tutors, dates and training venue which will be informed to the delegates.

**Please note: Course dates and prices are subject to change.
