# BS OHSAS 18001 **Internal Auditor** training course

### Essential information about the course

Level **1 C 2 C 3**

BS OHSAS 18001 is the management system standard for Occupational Health & Safety (OH&S), that's aligned to internationally recognized best practice. It helps to reduce risk, increase workplace safety, and meet legal and regulatory requirements.

If you are new to auditing then this is the course for you. Most delegates already have a thorough understanding of BS OHSAS 18001, and now need to carry out internal audits in their organization.

This packed two-day course will enable you to prepare for and initiate an internal audit and give you the vital skills to compile and distribute audit reports. Our highly experienced tutors will make sure that you walk away with the confidence to perform an effective audit to help your organization to continually improve.

The course is structured to optimize your learning using our unique approach to accelerated learning, and it will consist of a blend of practical activities, group discussions and classroom learning.

**“Good quality training that provided an excellent foundation for auditing.”**

Cornwall Fire & Rescue
