## Publicly Available Specifications (PAS) and their Sponsors

PAS Number	PAS Name	Sponsors
PAS 3	Non-rewireable 13 A plugs 1994	BSI
PAS 7	Fire risk management system. Specification	BB7
PAS 15	Helmets for equestrian use	BSI
PAS 16	Integrated protection helmets	BSI
PAS 18	Children's playground equipment	BSI
PAS 20	Audible personal attack alarms	BSI
PAS 22	Construction of vapour recovery systems installed in petrol metering	BSI
3	pumps and dispensers	55.
PAS 23	General performance requirements for door assemblies	BSI
PAS 24 Part 1	Enhanced stecurity performance requirements for door assemblies  — Part 1 Single and double leaf hinged external door assemblies to dwellings	BSI
PAS 25	Plastic frames for use in gully topes and manhole tops for pedestrian areas	BSI
PAS 26	Manhole top intended for use in service station forecourts and pavement areas	BSI
PAS 27	Unplasticized poly (vinyl chloride) alloy PVC-A pipes and bends for water under pressure	BSI
PAS 28	Marine safety helmets	BSI
PAS 29	Disposable pulp products for use in healthcare	BSI
PAS 30	Outdoor recreational multisports equipment — Specification	BSI
PAS 32 Part 1	Specification for examination and test of new lifts before putting into service  — Part 1 Electric tractor lifts	BSI
PAS 32 Part 2	Specification for examination and test of new lifts before putting into service  — Part 2 Hydraulic lifts	BSI
PAS 33	Specification for the design, installation and commissioning of gas fired central heating systems in domestic dwellings	BSI
PAS 39	Management of public swimming pools, water treatment systems, water treatment plant and heating and ventilation systems — Code of practice	Pool Water Treatment Advisory Group
PAS 42	Method of test for establishing the efficiency of decorative fuel effect gas fires	BSI
PAS 43	Safe working of vehicle breakdown and recovery operators	Survive
PAS 44	Official identification for cattle — Specification	British Cattle Movement Service, DEFRA and the Rural Payments Agency
PAS 46	Improving loyalty — Requirements	Respond
PAS 49	Security consultancy — Code of practice	Association of Security Consultants
PAS 51	Guide to industry best practice for organising outdoor events	National Outdoor Events Association
PAS 54	Specification for domestic ceramicware and glassware — Articles intended for contact with foodstuffs and vases	BSI and CERAM Research Ltd
PAS 55 Part 1	Asset management — Specification for the optimised management of physical infrastructure assets	Institute of Asset Management
PAS 55 Part 2	Asset management — Guidelines for the application of PAS 55 Part 1	Institute of Asset Management
PAS 56	Business continuity management	Insight Consulting and the Business Continuity Institute
PAS 57	Cellar cooling equipment — Procedure for determining performance and calculating energy efficiency	Market Transformation Program
PAS 59	Filled collective fall arrest systems	Forest Safety Products Limited
PAS 60 Parts 1-3	Equipment used in the controlled removal of asbestos containing materials.  Part 1 Controlled wetting of Asbestos containing materials — Specification.  Part 3 Operation cleaning and maintenance, of class H vacuum cleaners.	Health and Safety Executive
	Code of Practice	
PAS 61	Determination of priority pollutants in surface water using passive sampling	University of Portsmouth
PAS 62	Refrigerated transport procedure for determining performance and calculating energy efficiency	Market Transformation Program
PAS 64	Professional water damage mitigation and initial restoration of domestic dwellings	National Flood School
	<u> </u>	

PAS Number	PAS Name	Sponsors
PAS 65	Management of public swimming pools General management — Code of Practice	Institute of Sport and Recreational Management
PAS 66	Official identification eartags for sheep and goats — Specification	British Cattle Movement Service, DEFRA and the Rural Payments Agency
PAS 67	Laboratory tests to determine the heating and electrical performance of heat-led micro-cogeneration packages primarily intended for heating dwellings	
PAS 68	Impact test specifications for vehicle security barriers	Transport Research Laboratory and CPNI
PAS 69	Guidance for the selection installation and use of vehicle security barriers	Transport Research Laboratory and CPNI
PAS 70	HD clay bricks — Guide to appearance and site measured dimensions and tolerance	Brick Development Association Ltd
PAS 71	Nanoparticals. Vocabulary	UK Department for Business, Innovation and Skills
PAS 72	Responsible Fishing — Specification of good practice for fishing vessels	Seafish Industry Authority
PAS 74	Internet safety — Access control systems for the protection of children online — Specification	Home Office and OFCOM
PAS 75	Specification for print and productions services	British Printing Industries Federation
PAS 76	Accounting software — Value added tax in the UK specification	HM Revenue and Customs
PAS 77	IT service continuity management — Code of practice	Adam Continuity, Dell, Sungard and UNISYS
PAS 78	Guide to good practice in commissioning accessible websites	Disability Rights Commission
PAS 79	Fire risk assessment code of practice	CS Todd and Associates Ltd
PAS 80	Automotive garage services	Automotive Advantage, Castrol Limited, Straightset Limited and Unipart Automotive
PAS 81	Specification for the management of a swimming school	Swimming Teachers Association
PAS 82	Shopfitting management system specification	National Association of Shopfitters
PAS 83	Guidance on codes of practice, standardised methods and regulations for cell based therapeutics — From basic research to clinical application	UK Department for Business, Innovation and Skills
PAS 84	Cell therapy and regenerative medicine — Glossary	UK Department for Business, Innovation and Skills
PAS 85	A quality management system to ensure the integrity and traceability of primary products in the agri-food chain	Campden and Chorleywood Food Research Association
PAS 86	Professional inspection, maintenance, cleaning and restoration of tile floor coverings — Code of Practice	National Carpet Cleaners Association
PAS 88	Guidance on accessibility of large hotel premises and hotel chains	Visit Britain
PAS 89	Enterprise content management. Code of Practice	The Content Group.
PAS 90	Specification for safe working practice for on-site maintenance and repair of industrial trucks	British Industrial Truck Association
PAS 91	Construction related procurement — Prequalification questionnaires	UK Department for Business, Innovation and Skills
PAS 92	Code of practice for the implementation of a biometric system	UK Department for Business, Innovation and Skills
PAS 93	Characterisation of human cells for clinical applications	UK Department for Business, Innovation and Skills
PAS 94	Implementing privacy impact assessment (PIA) frameworks in radio frequency identification (RFID) applications.	Guide-BIS
PAS 95	Hypoxic air fire prevention systems.	Specification.
PAS 96	Defending food and drink — Guidance for the deterrence, detection of ideologically motivated and other forms of malicious attack on food and drink and their supply arrangements	Centre for the Protection of National Infrastructure
PAS 97	A specification for mail screening and security	Centre for the Protection of National Infrastructure
PAS 98 Part 1	Standards consortia. Formation and Management — Good practice guide,	BSI
PAS 98 Part 2	Standards consortia. Suitability assessment — A good practice guide	
PAS 99	Specification of common management system requirements as a framework for integration	BSI
PAS 100	Specification for composted materials	WRAP (Waste and Resources Action Programme)
PAS 101	Recovered container glass	WRAP
PAS 102	Specification for processed glass for selected secondary end markets	WRAP
PAS 103	Collected waste plastics packaging — Specification for quality and guidance for good practice in collection and preparation for recycling	WRAP
PAS 104	Wood recycling in the panelboard recycling industry	WRAP
PAS 105	Recovered paper sourcing and quality	WRAP
PAS 106	Real nappy laundering	WRAP

PAS Number	PAS Name	Sponsors
PAS 107	Specification for the manufacture and storage of size reduced tyre materials	WRAP
PAS 108	Specification for the production of tyre bales for use in construction	WRAP
PAS 109 PAS 110	Specification for the production of recycled gypsum form waste plasterboard	WRAP WRAP
	Specification for whole digestate separated liquor and separated fibre derived from anaerobic digestion of source segregated biodegradable materials	VVRAP
PAS 111	Specifications for the requirements and test methods for processing waste wood	WRAP
PAS 121	Specification for active fire curtain barrier assemblies and active fire	Coopers
	curtain barrier assemblies with smoke rating	
PAS 122	Specification for the installation of audiovisual equipment in classrooms and general publicly accessible areas	British Educational Communications and Technology Agency
PAS 124	Defining implementing and managing defining website policies and standards — Code of practice	Magus research Ltd
PAS 125	Automotive services — Specification for automotive repair services	BSI
PAS 126 Part 1 PAS 126 Part 2	Furniture removal activities — Ecommercial moving. Service specification Furniture removal activities — Ecommercial moving. Provision of the service	British Association for Removers
PAS 127	Checkpoint security screening of people and their belongings	HM Government
PAS 128	Specification for underground utility detection, verification and location	ICE
PAS 130	Guidance on the labelling of manufactured nanoparticles and products containing manufactured nanoparticles	UK Department for Business, Innovation and Skills
PAS 131	Terminology for medical, health and personal care applications of nanotechnology	UK Department for Business, Innovation and Skills
PAS 132	Terminology for bio — Nano interface	UK Department for Business, Innovation and Skills
PAS 133	Terminology for nanoscale measurement and instrumentation	UK Department for Business, Innovation and Skills
PAS 134	Terminology for carbon nanostructures	UK Department for Business, Innovation and Skills
PAS 135	Terminology for nanofabrication	UK Department for Business, Innovation and Skills
PAS 136	Terminology for nanomaterials	UK Department for Business, Innovation and Skills
PAS 137	Nanomaterials and nanotechnology-based products. Guide to regulation and standards	BIS Funded
PAS 138	Disposal of manufacturing process waste containing manufactured nano objects — Guide	UK Department for Business, Innovation and Skills
PAS 139	Detection and characterization of manufactured nano-objects in complex matrices.	Guide
PAS 141	Reuse of used an waste electrical and electronic equipment (UEEE and WEEE) Process management specification	UK Department for Business, Innovation and Skills
PAS 150	Providing rehabilitation services — Code of practice	UK Rehabilitation Council
PAS 180	Smart Cities-Vocabulary	BIS
PAS 181	Smart city framework. Guide to establishing strategies for smart cities and communities	BIS
PAS 197	Code of practice for cultural collections management	The Collections Trust
PAS 198	Specification for managing environmental conditions for cultural collections	The National Trust
PAS 200	Crisis management — Guidance and good practice	Cabinet Office
PAS 220	Prerequisite programs on food safety for food manufacturing	Confederation of Food and Drink Industries of the European Union
PAS 221	Prerequisite programmes for food safety in food retail. Specification	Delhaize Group
PAS 222	Prerequisite programmes for food safety in the manufacture of food and feed for animals	SSAFE Safe Supply of Affordable Food Everywhere
PAS 223	Prerequisite programmes and design requirements for food safety in the manufacture and provision of food packaging	SSAFE Safe Supply of Affordable Food Everywhere
PAS 250	Low-level work platform with one working platform with side protection for use by one person with a maximum working platform height of less than 2.5 m. Specification	PASMA
PAS 300	Civilian armoured vehicles - Test methods for ballistic and blast protection	CPNI
PAS 377	Specification for consumables used in the collection, preservation and processing of material for forensic analysis. Requirements for product, manufacturing and forensic kit assembly	Forensic Science Regulator
PAS 402	Waste resource management — Specification for performance reporting	Constructing Excellence Wales
PAS 500	National specification for workplace travel plans	London European Partnership for Transport and Transport for London
PAS 555	Cyber security risk. Governance and management. Specification	Cyber Alliance
PAS 600	Bio-based products. Guide to standards and claims	BIS Funded
PAS 700	Provision of ICT facilities and services in the workplace	Yorkshire Forward
PAS 777	Specification for the qualification and labelling of used automotive engines	Kaiho Sangyo Company Limited
PAS 800	and any related transmission units  Use of dementia care mapping for improved person centred care in a	and Sun Partners Company Limited Bradford University
PAS 820	care provider organisation — Guide  Laboratory-identifiable forensic codes. Classification of performance	Smartwater
.,15020	when exposed to artificial weathering	Smartwater
