

## ISO 22301:2019 Senior Management Briefing

### Training course

STAGE 

#### Essential information about the course

As a leader in your organization, your commitment and support are crucial to the success of your organization's business continuity management. Our ISO 22301:2019 senior management briefing helps business leaders understand how they will be involved, and the commitment required supporting an effective implementation. You'll gain a better understanding of your organization's obligations, and you'll be able to develop action plans for implementing the key leadership activities required in ISO 22301:2019.

You have the full support and training from a world-class BSI tutor also at your disposal.

#### Our course agenda

- What is business continuity?
- What is ISO 22301 and the reasons for its development?
- What is the value of ISO 22301?
- Context of the organization
- The role of top management
- Leadership and commitments
- Success factors, and a summary of top management involvement

Book today at

[bsigroup.com/training](https://bsigroup.com/training)

Upon successful completion of your course, you'll receive an internationally recognized BSI certificate.
