

The logo for BSI, consisting of the lowercase letters 'bsi.' in a bold, black, sans-serif font. The period is a solid red dot. The logo is positioned in the upper left corner of the page, which is partially overlaid by a large red circular graphic element.

bsi.

A photograph of four business professionals (three men and one woman) sitting around a white conference table in a modern office setting. They are engaged in a meeting, with laptops and coffee cups on the table. The image is framed by large, overlapping red and light blue circular shapes.

BSI Membership

As a member of BSI, you're linked to a global leader in standards. BSI is a byword for integrity and innovation, and its expertise is trusted worldwide.

10 ways that standards can support your organization

1. **Create better products and services**
Deliver better quality products and services.
2. **Attract new customers**
Demonstrate quality, safety and reliability.
3. **Boost your competitiveness**
Show you're committed to achieving excellence.
4. **Inspire trust**
Protect your reputation.
5. **Reduce mistakes**
Use specifications that have been tried and tested by experts.
6. **Cut costs**
Get inexpensive access to expert knowledge.
7. **Keep compatible**
Ensure your products are 'interoperable' with other products.
8. **Comply with regulations**
Meet UK and EU legislation requirements easily.
9. **Make exporting your goods easier**
Meet specifications defined by EU directives.
10. **Improve your chances of success**
Draw insights from industry experts on best practice.

"It's what I use to persuade people that I'm professional and that my business is professional."

Chris McCarthy,
Managing Director - Apex Security System.
