

BSI Training Academy

ISO 9001:2015 **Internal Auditor** training course

Essential information about the course

Level

ISO 9001 is the world's leading management system standard. That's why organizations around the world invest in training their people so they have the skills and the knowledge to benefit from it.

If you are new to auditing then this is the course for you. Most delegates already have a thorough understanding of ISO 9001, and now need to carry out internal audits in their organization.

This packed two-day course will enable you to prepare for and

initiate an internal audit and give you the vital skills to compile and distribute audit reports. Our highly experienced tutors will make sure that you walk away with the confidence to perform an effective audit to help your organization to continually improve.

The course is structured to optimize your learning using our unique approach to accelerated learning, consisting of a blend of practical activities, group discussions and classroom learning.

Our course agenda

Day 1

- Quality Management System (QMS)
- Internal audit requirements
- ISO 19011 Auditing guidelines
- Auditing terms & definitions
- Plan, execute, report & close-out
