

# Are you ready for UKCA marking?

The UKCA (UK Conformity Assessment) mark is the new UK product marking that will be required for certain products being placed on the market in Great Britain (England, Wales and Scotland). It covers most products that previously required the CE mark.

It will not be recognized in the EU market. Products that require CE marking will still need a CE marking to be sold in the EU market.

**UKCA**

Businesses must prepare for the end of recognition of the CE mark in GB and affix the UKCA marking using a UK-appointed 'approved body' by 1 January 2022

Act now and be ready to take advantage of UKCA marking, which will come into force on 1 January 2021 and after 31 December 2021 only products with UKCA marking will be accepted in Great Britain.

BSI is an approved body (0086) for UKCA marking services and we can work with you on the required conformity assessment procedures that will allow you to affix the UKCA marking.
