Enrollment Cancellation/Refunds Policies

A full refund will be given for cancellations of enrollments made at least four (4) weeks* prior course commencement or course event confirmation, whichever comes first. Cancellations must be received in writing by email. Cancellation of enrollment is not allowed once the course event has been confirmed. Substitution of delegates can occur at any time at no additional cost. A delegate who fails to attend will be liable for 100 percent of the course fee.

Transfers

In the situation whereby a transfer is permitted a maximum of two (2) transfers can be made per registration. Transfers are not permitted within 1 week of training event. Once a delegate has transferred, no refunds can be made for the cancellation of either course.

Program cancellation/rescheduling

BSI takes all care to produce high quality program events that deliver as promised. All advertised details are correct at the time of publication. However when circumstances beyond our control prevail, BSI reserves the right to cancel, postpone, relocate or reschedule any program. If BSI exercises this option, BSI will employ reasonable endeavors to notify delegates as early as possible to minimize inconvenience. BSI will not accept any responsibility for travel and accommodation costs incurred by delegates. BSI takes no responsibility for changes to delegate work commitments or personal circumstances. Where a refund is due to a delegate, the appropriate refund will be issued within 30 days of notification. In the case of program postponement or rescheduling, the delegate may choose to transfer the fee from the cancelled course to a future program of equal value. In this case these terms and conditions apply.
