ISO/IEC 27001 Introduction and Implementation Training Course

An ISMS is a risk management approach to maintaining the confidentiality, integrity and availability of the organization's information. This course is designed to promote awareness of the objectives and benefits of information security, the requirements of ISO 27001 for ISMS establishment, implementation, operation, monitoring, review, maintenance and improvement, the advice of ISO 27002 on information security controls, and an insight into the emerging ISO 27000 series of standards

What will I learn?

- Gain insight into what information security means
- Learn to identify, manage and prioritise security objectives and controls for your business
- Understand the purpose of the ISO 27001 standard and how it can benefit your company
- Learn about the commercial pressures of certification and penalties for non-compliance
- To identify and evaluate risks to these assets and their impact
- To define appropriate policies and procedures and implement them

How will I benefit?

- Gain an understanding of how effective information security can be managed across your business, and how full protection of your company and customer assets will build stakeholder confidence
- Gain eight Continuous Professional Development (CPD) points
- A robust ISMS will improve and protect your business – and enable you to implement an effective and long term ISMS
- Information security expertise and knowledge delivers assurance of legal, contractual and ISO 27001 or ISO/IEC 27001 compliance

Who should attend?

- Senior systems and IT managers
- IT security officers
- Consultants introducing ISO 27001 into an organisation.
- Designed for those with information security responsibility
- Those planning to implement a system or new to managing a system
- Anyone working within information security, including consultants.

Our courses will be confirmed upon achieving a minimum number of enrollments. Two weeks before the scheduled training, you will receive the BSI Training Academy course status update.

Training Enrolment Form

Enrollment Cancellation/Refunds Policies

A full refund will be given for cancellations of enrollments made at least four (4) weeks* prior course commencement or course event confirmation, whichever comes first. Cancellations must be received in writing by email. Cancellation of enrollment is not allowed once the course event has been confirmed. Substitution of delegates can occur at any time at no additional cost. A delegate who fails to attend will be liable for 100 percent of the course fee.

Transfers

In the situation whereby a transfer is permitted a maximum of two (2) transfers can be made per registration. Transfers are not permitted within 1 week of training event. Once a delegate has transferred, no refunds can be made for the cancellation of either course.

Program cancellation/rescheduling

BSI takes all care to produce high quality program events that deliver as promised. All advertised details are correct at the time of publication. However when circumstances beyond our control prevail, BSI reserves the right to cancel, postpone, relocate or reschedule any program. If BSI exercises this option, BSI will employ reasonable endeavors to notify delegates as early as possible to minimize inconvenience. BSI will not accept any responsibility for travel and accommodation costs incurred by delegates. BSI takes no responsibility for changes to delegate work commitments or personal circumstances. Where a refund is due to a delegate, the appropriate refund will be issued within 30 days of notification. In the case of program postponement or rescheduling, the delegate may choose to transfer the fee from the cancelled course to a future program of equal value. In this case these terms and conditions apply.

Privacy

The collection of your details is primarily for the purpose of registering you on the selected event/s. The information provided will be held on the BSI database and may be used for future marketing of BSI events and may also be provided to the sponsor/s of the selected event/s. If you do not wish to have your details to be made available to these external parties, we ask that you notify us by a written request to the BSI.

Photography

BSI may take photographs/videos of events held to be used in media or publications by BSI.

We will also send you instructions for getting there, the course schedule, any other requirements, details about what to expect at the training, and any other information we think might be useful for you. If you have not received this information one week before the commencement of the course or if you have any questions at all, please let us know.
