ISO 9001:2015 **Lead Auditor** training course

Essential information about the course

Level **1C 2C 3**

ISO 9001 is the world's leading management system standard. That's why organizations around the world invest in training their people so they have the skills and the knowledge to benefit from it.

Our CQI and IRCA Certified ISO 9001:2015 Lead Auditor course is an intensive five-day course, where you'll discover internationally recognized best practice auditing techniques so you can lead auditing activities in your organization.

You'll already have a detailed understanding of the requirements of ISO 9001:2015. Many delegates on this

course will have already attended our Internal Auditor training course.

Using innovative accelerated learning techniques to maximize your learning, you will gain the skills to plan, conduct, report, and follow up an audit in accordance with ISO 19011. It will culminate on day 5 with a written exam and upon successful completion you'll be awarded an internationally recognized auditing qualification. This course will not only benefit you when you return to your organization, but it could also be an opportunity to advance your career with a professional qualification.

"The course was highly informative, efficiently organized and most beneficial. On top of this it was very enjoyable and fun. It was a really good week with great delegates and a first rate tutor."
