

The logo for BSI (Business System Institute) is displayed in a white, lowercase, sans-serif font. It is positioned in the upper left corner of the image, partially overlapping a green leafy plant. The background of the entire image is a blurred photograph of a person's hands writing in a notebook next to a laptop displaying a video conference with two participants. A large, semi-transparent red circle is overlaid on the right side of the image, containing the main title text.

BSI Training Academy Classroom Course Schedule Malaysia 2021

Why train with BSI?

We are the UK's largest training and certification body, who have helped shape many of the world's leading standards from ISO 9001 to ISO/IEC 27001.

We take the time to understand your company's learning needs to develop training solutions that satisfy your business objectives.

Our approach – accelerated learning

Our accelerated learning approach is proven to fast-track learning and improve knowledge retention.

You'll participate in activity-based learning and have the opportunity to share your learning experience with peers from other companies which will help embed your learning.

Expert tutors

Our tutors are recognized as experts in their field, offering a world-class learning experience that our delegates rate as first class.

They are trained to understand and meet your different learning needs, have years of practical industry experience, as well as deep subject matter knowledge.

Your BSI certificate

On successful completion, you'll receive a certificate that's recognized worldwide.

A BSI Training Academy certificate is a mark of expertise, quality and integrity.

Types of training

BSI offers training in many different formats:

Online training

With BSI's 'live' online training, you can take the same high-quality classroom course with the same expert tutor, simply delivered in a virtual environment, regardless of where you're located.

You can even book a course that's dedicated to your organization, so a group of you can all train at the same time – from anywhere.

Classroom training

Our public training courses take place in convenient locations across Malaysia.

Attendees are away from office distractions and benefit from interacting and networking with people from other organizations.

In-house training

An in-house training course is one held at your premises and is open only to your employees. Training in-house eliminates travel expenses and additional time away from the office. It also keeps your content and discussions confidential.

If you think you may need training in a different format then please contact us to discuss what alternative options we have available.

BSI training courses are HRDF claimable.

A qualification from BSI

In today's competitive world, your employer and your customers need to know that you're capable of doing the best job. It's more important than ever to show that you have the right, trusted credentials.

By successfully completing a combination of courses and assessments, you'll earn a BSI qualification and the right to use a BSI Mark of Trust. You can then apply to have your professional qualification certified – validating the practical application of your learning and your continuing professional development within your industry.
