

A woman with dark hair tied back, wearing a dark brown long-sleeved shirt and a white headset with a microphone, is shown in profile from the chest up. She is looking towards the right side of the frame. The background is a bright, out-of-focus office environment with windows. A large red circular graphic is overlaid on the right side of the image.

BSI Training Academy

We are one of the largest training and certification bodies, we have helped shape many of the world's leading standards from ISO 9001 to ISO/IEC 27001.

We take the time to understand your company's learning needs to develop training solutions that satisfy your business objectives.

Our approach - accelerated learning

Our accelerated learning approach is proven to fast-track learning and improve knowledge retention.

You'll participate in activity-based learning and have the opportunity to share your learning experience with peers from other companies which will help embed your learning.

Expert tutors

Our tutors are recognized as experts in their field, offering a world-class learning experience that our delegates rate as first class.

They are trained to understand and meet your different learning needs, have years of practical industry experience, as well as deep subject matter knowledge.

Your BSI certificate

On successful completion, you'll receive a certificate that's recognized worldwide.

A BSI Training Academy certificate is a mark of expertise, quality and integrity.

Types of training

BSI offers training in many different formats:

Online training

With BSI's 'live' online training, you can take the same high-quality classroom course with the same expert tutor, simply delivered in a virtual environment, regardless of where you're located.

You can even book a course that's dedicated to your organization, so a group of you can all train at the same time - from anywhere.

Classroom training

Our public training courses take place in convenient locations across New Zealand.

Attendees are away from office distractions and benefit from interacting and networking with people from other organizations.

In-house training

An in-house training course is one held at your premises and is open only to your employees. Training in-house eliminates travel expenses and additional time away from the office. It

On-demand training

You can now learn with more flexibility than ever before thanks to our growing range of video learning, eLearning and micro-learning modules. Our on-demand training delivers the same high-quality content you'd expect from BSI, using a combination of video, online course materials and embedded assessment, enabling you to study at your own pace, in your
