## Why BSI?

### We know standards the same way we know your needs.

With over 73,000 clients in 150 countries, BSI is the business standards company that helps organizations make excellence a habit – all over the world. That's our business, enabling others to perform better.

Clients benefit from the most highly trained and knowledgeable assessors in the industry. They will ensure your staff are competent and fully able to implement best practices that are tried and tested.

Our clients range from top global brands to small ambitious businesses. Our people have understood their challenges, and see the opportunities to share learnings. We talk with, and listen to clients every day, via our 'Voice of the Customer' survey. We ask them what they want and how satisfied they are with our products and services, so that we make sure we are meeting their expectations and giving them the opportunity to tell us their thoughts.
