BSI Training Academy

ISO/IEC 27001 **Internal Auditor** training course

Essential information about the course

Level **1** **2** **3**

As internationally recognized best practice for an information security management system (ISMS), ISO/IEC 27001 helps organizations to build resilience and protect information. So it's no surprise that companies invest in training their people to get the knowledge and skills to use ISO/IEC 27001 to secure their business.

If you're new to auditing and already have a thorough understanding of ISO/IEC 27001 then this training is for you. This packed two-day course will enable you to carry out

an ISO/IEC 27001 internal audit and give you the vital skills to produce and distribute audit reports. Our highly experienced tutors will make sure that you walk away with the confidence to perform effective ISO/IEC 27001 audits to help your organization to continually improve.

The course is structured to optimize your learning using our unique accelerated approach, which blends practical activities, group discussions and classroom learning.

"Couldn't rate this course highly enough. Excellent value for money."

Continuing Care Leeds, UK-based healthcare provider
