

The BSI UKCA readiness indicator

UKCA marking comes into force in **January 2021** and CE marking will not be accepted in the UK after **the end of 2021**. Does this affect you and if so how ready are you? Use this tool to help you find out.

- 1. Do you supply products within the UK?** **Yes** [10 points] **No*** [0 points]

*If no, then UKCA marking is not relevant to your business.
- 2. When affixing the CE Marking to your products, are you required to use the services of an EU "Notified Body" for product evaluation?** **Yes** [10 points] **No** [0 points]
- 3. Is your usual Notified Body appointed by the UK?** **Yes** [0 points] **No** [10 points]
- 4. How important is the UK market to your organization?** **It is our biggest export market** [10 points]

It is significant to us and one of our top export markets [10 points] **Anything we export to the UK is a bonus** [0 points]
- 5. Have you already prepared for when UKCA marking comes into force from January 2021?**

Yes, we are very well prepared and have plans in place [10 points]

We have started to investigate UKCA and starting to put plans in place [0 points]

I have heard about UKCA but I know nothing about it [0 points]

We have not considered this at all [0 points]

Total your score and use the table below to see if you are prepared for UKCA:

Your score (questions 1 to 4)	Your score (question 5)	What this could mean for your business
20 points or more	10 points	UKCA is very important to you and it appears you are well prepared to deal with any impact it might have on your business.
20 points or more	0 points	Your organization may be at risk. You need to take action to be ready for the introduction of UKCA and for when CE marking is no longer accepted in Great Britain. Contact BSI to mitigate this risk.

Your name: Organization name:

Email: What product(s) do you manufacture/export to the UK?

Submit or call **+31 (0)20 346 0780**, and we'll be happy to talk to you about your UKCA marking requirements.
