You have received this email because you have purchased a product or service from BSI, opted-in to a third party list or opted in to marketing emails. If you wish to unsubscribe please click on the 'one-click unsubscribe' link located below. Some of BSI's services include a customer newsletter/eshot as part of that service. This ensures that you are made aware of any changes to that particular services.

Please note that this inbox is not monitored so don't use "reply to" or "reply all" in your email. Should you wish to talk to us, please call +44 345 080 9000 or email eu.medicaldevices@bsigroup.com.

The British Standards Institution (BSI, a company incorporated by Royal Charter), performs the National Standards Body activity (NSB) in the UK. BSI, together with other BSI Group Companies, also offers a broad portfolio of business solutions other than the NSB activity that help businesses worldwide to improve results through Standards-based best practice (such as certification, self-assessment tools, software, product testing, information products and training).
