...making excellence a habit.™

Three unique reasons to make BSI your Orthopaedic and Dental Notified Body

Experience and expertise – You can be rest assured by increased patient safety, thereby reducing your corporate risk.

Focus on service – BSI offers a premium customized service, giving you a greater level of flexibility as well as predictability.

Market access – Our speed-to-market service means your product reviews won't slow down your launch plans, helping you to stay ahead of the competition.

Trust your Notified Body

At BSI, we understand that having confidence in your Notified Body is important to an efficient and hassle-free CE marking process. Our approach focuses on open communication from the very beginning. Your product will be supported by a dedicated team of orthopaedic and dental experts interested in sharing the knowledge and passion you have for your products.
