

Standards-Makers Engagement & Inclusion Committee Chair and Deputy Chair Vacancies 2025

Please find here below a list of our Committee Chair and Deputy Chair vacancies which are now open for applications.

If you would like **to learn more about the work of a committee**, please visit the committee's page on our [Standards Development Portal](#). Once on the portal, enter the committee reference number (exactly as shown below) in the search bar and click search. On the search results page you will first see a list of standards with the committee name in the left-hand column and then below that a list of committees (see screenshot below). You may click on the committee name from within the list of standards or from the list of committees. This will then take you to the committee's page where you can see what organizations are represented on the committee and the standards the committee is responsible for, including the status / stage of those standards.
