Training Schedule
May - December 2026

About BSI Training Academy

Forward-thinking organizations are recognizing that to stay ahead of industry change- to win the talent war and to outperform the competition- they need to instill a culture of continuous learning and constant growth within their organizations.

Standing still is not an option. BSI Training Academy is key to this- supporting people and organizations to develop and progress toward a resilient future.

We are one of the largest training and certification bodies- we have helped shape many of the world's leading standards from ISO 9001 to ISO-IEC 27001.

We take the time to understand your company's learning needs to develop training solutions that satisfy your business objectives and your personal aspirations.

Our approach - accelerated learning via participation in activity-based learning and sharing with peers.

Expert tutors in their field - offering a world-class learning experience that our delegates rate as first class. They know best how to transform your organization by turning our experience into your expertise.

Internationally recognized BSI certificates - a BSI Training Academy certificate is a mark of expertise- quality and integrity.

BSI Blockchain-based solutions - enables you to showcase your achievements with just on click through a single trusted platform- powered by the OriginTrail Decentralized Knowledge Graph and underlying blockchains.

Learn in a way that works for you

Flexible and adaptable delivery methods to ensure your learning solution maximizes your strategic goals- whilst adapting to varying learning styles- levels of expertise- and location of you and your teams.

Virtual instructor led training (VILT)

With BSI's **live online training**- you can take the same high-quality classroom course with the same expert tutor- simply delivered in a virtual environment- regardless of where you're located.

Instructor led training (ILT)

Our public training courses also offer as ILT- also known as **classroom-based**- take place in convenient locations across Malaysia.

In-house

An in-house training course is one held at your premises and is open only to your employees. Training in-house eliminates travel expenses and additional time away from the office.

On-demand eLearning (OD)

Our eLearning courses are great for learners that need an introduction or refresher on a particular topic. eLearning is a self-directed- interactive learning experience - at a time- place- and pace that best suits you.

Create your training and development programme with BSI training courses.
