

Qualifications self-assessment checklist

How mature is your approach to Qualifications?

No matter where you are in your qualifications journey, BSI's training courses and qualifications are designed to help you and your organization accelerate progress. Complete the assessment below to find out your current stage of qualification maturity.

Your qualifications self-assessment checklist

This checklist has been designed to help you understand where you currently are in your qualifications journey. At the end of the checklist, add up how many times you ticked 'yes' and you will be given a personalized maturity score and actionable next steps.

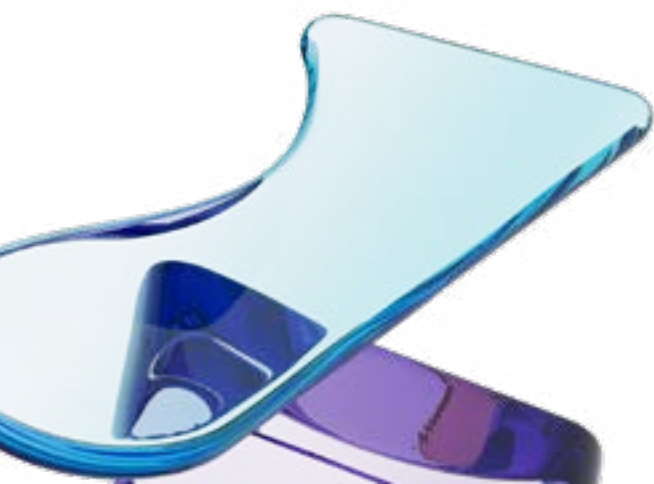

Please answer the questions below to calculate your maturity score.

Your qualifications maturity level

Measure your maturity

Count the number of times you answered 'yes' to each question and look up your results below.

0-5 points - Level one professional

You're a conscientious professional who is yet to begin your learning and qualification pathway with BSI. Compared with your peer group you're in the minority of respondents who haven't yet started to explore professional qualifications.

Helping forward-thinking individuals succeed

A qualification with BSI will enable you to gain knowledge and expertise on the fundamental elements of your chosen subject, enabling you to support your organization's objectives whilst progressing your career.

6-10 points - Level two professional

You're a forward-thinking professional who has started their qualification pathway. You're also in the majority of respondents who have a professional qualification and who recognize the benefits of continuous learning.

Helping forward-thinking individuals succeed

Further qualification with BSI will enable you to build your expertise and learn tools and techniques that provide value to you and your organization.

11-15 - Level three professional

You're in the top 75% of professionals, as you already have a qualification. As a competent professional, you're already successfully building your career, role and industry experience.

Helping forward-thinking individuals succeed

Progressing your qualification journey further will make you stand out in your field and stay up to date with the latest in your specialist area.

To find out how you can continue to accelerate your learning and development, and differentiate yourself from your peers, book a call with our learning experts. You'll find out more about how we can help you progress your learning pathway to achieve a qualification and a BSI Mark of Trust.
