BSI Personal Qualifications

By successfully completing a combination of courses and assessments, you'll earn a BSI qualification and the right to use a BSI Mark of Trust (professional badge).

The BSI 'Professional' badge is used by individuals who have passed a BSI training course successfully.

The badge provides a strong and credible endorsement that can be displayed in a person's CV, LinkedIn profile, email signature or any similar information.

In addition to highlighting a person's professional competence, is also provides confidence and help you stand out.

BSI Personal Qualifications
Internal and Lead Auditor Qualification Pathways*

There are currently two pathways, depending on your specialism:

- Project Information
- Asset Information

**BIM Project Information qualifications**

BIM is used by project managers to improve communication, coordination and collaboration on projects.

Your BIM Project Information qualification can help you to drive BIM projects, increasing the operational efficiency of project teams.

BIM Asset Information qualifications

Owners of large properties, estates or portfolios of assets need to be confident that their assets are maintained effectively and cost efficiently for operational and maintenance purposes.

Having a qualification in BIM Asset Information will give confidence in your skills and experience.
