# Welcome

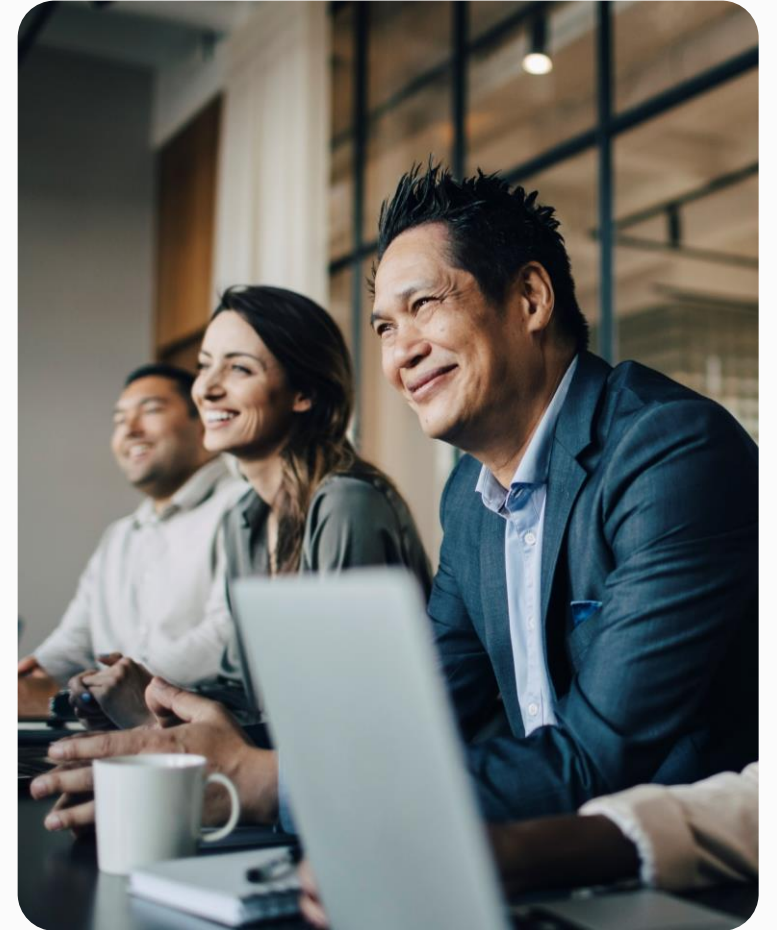

At BSI, our focus is on supporting you to build knowledge and skills which add value to your organization, whilst developing your career.

Our range of courses & qualifications span Digital Trust, Health, Safety and Well-being, Quality Management, and Sustainability. Delivered in person, online or on-demand – our courses lead to globally recognized BSI qualifications that enable you to increase skills and demonstrate your value to your organization.

I'm proud to be part of the BSI team which provides access to impactful learning and development allowing you to develop and grow.

We look forward to supporting you on your learning journey with BSI.

**Budi Setyawan**  
Training Academy Director

# About BSI Training Academy

Forward-thinking organizations are recognizing that to stay ahead of industry change, to win the talent war and to outperform the competition, they need to instill a culture of continuous learning and constant growth within their organizations.

Standing still is not an option. BSI Training Academy is key to this, supporting people and organizations to develop and progress toward a resilient future.

We are one of the largest training and certification bodies, we have helped shape many of the world's leading standards from ISO 9001 to ISO/IEC 27001.

We take the time to understand your company's learning needs to develop training solutions that satisfy your business objectives and your personal aspirations.

**Our approach** - accelerated learning via participation in activity-based learning and sharing with peers.

**Expert tutors in their field** - offering a world-class learning experience that our delegates rate as first class. They know best how to transform your organization by turning our experience into your expertise.

**Internationally recognized BSI certificates** - a BSI Training Academy certificate is a mark of expertise, quality and integrity.

**BSI Blockchain-based solutions** - enables you to showcase your achievements with just on click through a single trusted platform, powered by the OriginTrail Decentralized Knowledge Graph and underlying blockchains. Watch demo

# Choose from a variety of training delivery formats

Flexible and adaptable delivery methods to ensure your learning solution maximizes your strategic goals, whilst adapting to varying learning styles, levels of expertise, and location of you and your teams.

## **Live online training**

Join an expert tutor in a live "Live Online" online classroom. With BSI's 'live' online training, you can take the same high-quality classroom course with the same expert tutor.

## **Classroom-based training**

Choose a date and venue near you, joining delegates from other companies. Our public training courses take place in convenient locations across Indonesia.

## **On-site at your premises (In-house)**

The same high-quality training delivered face-to-face in your location.

## **On-demand eLearning**

Our on-demand training delivers high-quality content using a combination of video, online course materials and embedded assessment, enabling you to study at your own pace, in your own time.

# BSI Personal Qualifications

By successfully completing a combination of courses and assessments, you'll earn a BSI qualification and the right to use a BSI Mark of Trust.

The BSI 'Professional' badge is used by individuals who have passed a BSI training course successfully. The badge provides a strong and credible endorsement that can be displayed in a person's CV, LinkedIn profile, email signature or any similar information. In addition to highlighting a person's professional competence, it also provides confidence and helps you stand out.

## Practitioner

A Practitioner qualification demonstrates your audit skills ensuring conformance and effectiveness. This qualification shows your commitment to your profession and career projection. Practitioner level qualifications are available for auditing and lead auditing courses from our range

## Professional

A Professional qualification builds on learning from the practitioner stage. Holders of these qualifications demonstrate their higher-level audit skills, critical thinking skills and demonstrate your competence and career aspirations.
